#### 8.6 Remedies.

By virtue of the duties and responsibilities of Representative under this Agreement and the SOW and the special knowledge of the affairs and/or operations of the MoT that Representative will have as a result of the Parties' relationship under this Agreement and the SOW and the special knowledge that Representative will have of the MoT intellectual Property and Confidential Information and the Work Products or other information which, at law or in good conscience or equity, ought to remain confidential, great loss and irreparable damage would be suffered by the MoT if Representative should breach or violate any of the covenants and agreements set forth in Sections 8.4 (Confidentiality), 8.5 (Intellectual Property), 8.6 (Remedies), and 8.9 (Noncompetition), hereof, which may not be wholly compensable in monetary damages. The Parties agree that each such covenant and agreement is reasonably necessary to protect and preserve the interests of the MoT. Therefore, in addition to all of the other remedies provided at law or in equity, the MoT will be entitled to a preliminary injunction, temporary restraining order and a permanent injunction to prevent a breach of any of such covenants or agreements. The existence of any claim, demand, or cause of action in the MoT against the Representative, whether predicated upon this Agreement, the SOW, or otherwise, will not constitute a defense to the enforcement by the MoT to any of the covenants or agreements described above. This provision shall survive the termination, expiration or cancellation of this Agreement.

#### 8.7 Insurance.

(a) Coverages. Unless otherwise waived or amended by MoT in writing, within seven (7) days after the Effective Date of this Agreement and to the extent authorized or provided by law within any jurisdiction, Representative shall provide the MoT with certificates of insurance certifying that each of the following insurance coverages is in full force and effect with one or more insurers or surety companies licensed to do business by a government authority and rated at least "A-" by A.M. Best & Co. or international equivalent, and further providing that the MoT will be given thirty (30) days' prior written notice of any material change in, cancellation

of, or intent not to renew any of the policies. Receipt of any certificate showing less coverage than requested is not a waiver of Representative's obligation to fulfill the requirements. Representative shall at its own cost and expense procure and maintain in full force and effect at all times during the Term the following insurance coverages:

- (i) Workers' Compensation, Temporary Disability, and other similar insurance required by the state or federal laws and by the laws of the jurisdictions in which Representative performs work as part of the Services. The maintenance of the insurance coverages required under this Agreement shall in no way operate to limit the liability of Representative to the MoT under the provisions of this Agreement.

(a) Waiver of Subrogation Rights. To the extent permitted by law and Representative's underwriters after Representative's best efforts to obtain such consent, Representative and anyone acting under its direction will cause its insurers (except for Workers' Compensation insurers) to waive all rights of subrogation which Representative or its insurers may have against the MoT and its employees, officers, or agents for any loss or damage to any tangible and intangible, real and personal property of it and its agents resulting from operations in connection with this Agreement and the SOW. Each policy shall contain a waiver of subrogation endorsement to the extent obtainable, which specifically states:

"The insurer waives any right of recovery it may have against the Republic of India and the Ministry of Tourism, and any of its officers, employees, agents or representatives because of payments made under this policy."

(b) Additional Insured. Insurance policies (except Workers' Compensation policies) providing the insurance coverage required in Section 8.7 will name the MoT and its respective agents and employees as additional insured. Coverage must be primary in respect to the additional insured. Any other insurance carried by the MoT will be excess only and not contribute with this insurance. The MoT shall be named as loss payee as its interest may appear on the property insurance policies of Representative. Representative shall be responsible for payment of any and all deductibles from insured claims under all policies of insurance required hereunder.

#### 8.9 Noncompetition.

(a) Nonexclusive Business Relationships. Although a Representative, as a legal entity, may represent a competing market within the MMA, MoT prefers that a Representative's project director and/or staff may be dedicated to providing services only for India and the MoT.

  - (ii) set up an information barrier, such as a "white room" or other form of a firewall, within Representative's company to prohibit the disclosure of competitive sensitive information acquired and/or provided through the performance of Services on behalf of MoT to any client or affiliate representing or associated with a competing market described in the RFP Appendix entitled "Competitors"; and
  - (iii) establish specific directives and procedures for its employees and other personnel assigned to the MoT Team and to a team for any MoT Competitor describing the requirements of the MoT information barrier, such as a "white room" or other form of a firewall and preventing them from exchanging information in either formal or informal settings. The firewall also shall act to avoid Representative conflicts of interest and shall serve as an information barrier to separate persons making Services decisions and implementing Services for the MoT and who are privy to undisclosed material information which may influence how the Services are provided to the MoT from those of Representative's employees and other personnel providing tourism and marketing services to MoT Competitors.
- (c) In addition to the firewall, the Representative, and all associated affiliates (if any), shall treat both business relationships as strictly confidential and shall comply with the confidentiality obligations set forth in this Agreement and the SOW. No one outside the MoT Team shall have access to any information on the Services provided to the MoT without the prior written approval of the MoT, which approval shall state in detail the information that may be accessed and the use to which it may be put.
