BACKGROUND

After the immense success of the 3 Editions of the Assam International Agri Horticultural Show, the organizers have got together once again for the 4th time to organize the 4th Assam International Agri Horticultural Show 2017 at Guwahati, Assam.

Assam International Agri Horti Show is one of the major annual B2B-cum-B2C event in Assam that would bring together the best and the latest in the agriculture, Food Processing and horticulture sector. AIAHS, as a show, has not just proven to be a great marketing activity for the participating companies; it has also helped them achieve astronomical sales figures during all days of the show. Over the years, the Show has witnessed participation of most of the leading brands available in the country. The Show, initiated in the year 1995, however, went "International" for the first time in 2014 and has seen participation of 15 countries and more than 80 international delegates in the year 2014 and 13 countries in the year 2015 and 12 countries with 200 international delegates in the year 2016.
