Important notes:

1. Sizing, description and specification of furniture and curtain are intended to be used as a guideline. The bidder can propose either equivalent or better quality products.

2. The number indicated in the curtain description are based on the size of opening and **not the actual size of curtain**. The proposed curtain price must be all inclusive, all bidders shall include all the necessary fitting, equipment and installation cost within their proposal.

3. Price of fabric for curtain should be in the **ratio of 1:2:4** (Building A1&A3 =1, Building A2=2 and Building A4=4)

4. All pieces of furniture must include floor protection base on all legs/stand.
(If and when applicable)
