

## COMMERCIAL CONNECT

HIGHLIGHTS OF  
THE MONTH

- India Pavilion showcased Chandrayaan-3 at TIF
- CtrlS Datacenters (India) to build a 150MW Datacentre at EEC, Thailand
- Ambassador Nagesh Singh met Commerce Minister of Kingdom of Thailand
- Delegation from Andaman & Nicobar Islands visited Bangkok

## Andaman &amp; Nicobar Islands to collaborate with Thailand on trade and tourism

A high-level delegation, led by Mr. Keshav Chandra, Chief Secretary, A&N Administration, visited Bangkok from 15 – 19 January to promote trade and tourism between the Islands and Thailand.

## India-Thailand pledge to work closely to enhance trade

Ambassador Nagesh Singh held productive discussions with Deputy Prime Minister & Commerce Minister, Kingdom of Thailand on 31st January, 2024 to further deepen trade, investment & economic partnership between the two countries.

## CtrlS Datacentres (India) signs agreement with EEC to develop 150MW campus

In a ceremony held at Bangkok, CtrlS Datacenters (India) announced a significant milestone in its expansion journey with the signing of lease agreement with the Eastern Economic Corridor in Thailand to establish a state-of-the-art data center.

With a capacity of 150 megawatts (MW), the facility is strategically positioned to address the evolving demands of hyperscale cloud providers while also serving the burgeoning IT needs of local businesses.

## India showcased its manufacturing prowess at TIF: Critical components take center stage

Embassy of India organized India Pavilion at Thailand Industrial Fair 2024 from 31st January to 3rd February 2024, showcasing India's capabilities in precision manufacturing, space & defence technologies, fintech and digitech. The Indian Pavilion was inaugurated by Ambassador Nagesh Singh, in the presence of senior officials of Embassy and Thai industry representatives.

Prominent Indian manufacturers in the engineering sector, including Kirloskar Brothers, Kirloskar Pneumatics, Tata Motors, and Apollo Tyres, showcased their products, representing the pinnacle of Indian engineering and manufacturing. Leading Indian companies in electronics and IT, namely, Coforge and Intellect Design, showcased innovative solutions in AR/VR and the Banking Sector at the Pavillion, highlighting India's achievements in digitalization and FinTech ecosystem.

Central Tool Room and Training Centre, Bhubaneswar, demonstrated its expertise in manufacturing of critical components by showcasing parts of Chandrayan-3 at the Fair. An Industry delegation led by IIT-Gandhinagar held B2B interactions with the Thai industry.
