

OPEN HOUSE

Consular Redressal Forum

The Embassy of India in Bangkok is pleased to announce the commencement of an "Open House" initiative to further enhance our Consular outreach. This platform aims to provide individuals who have specific requirements on Consular issues an opportunity to voice their concerns if they feel they have not been addressed by Consular officers in the first instance.

The Open House will be conducted by Consular Officer on the first Monday of every Month starting 6th March 2023 onwards from 1000 to 1230 hrs.

Please note that this platform is not meant for routine queries on Visa, Passport, and other miscellaneous Consular matters, as the details for these are already available on the Embassy's website. The Open House will specifically address only those Consular queries which the applicant feels have not been satisfactorily addressed in a timely and satisfactory manner.

We encourage individuals to take advantage of this initiative to voice their concerns.
